

June 2009

Zwingli United Church of Christ is excited to announce a Benefit Concert featuring *the Nitty Gritty Dirt Band* at the Sellersville Theater. This concert will benefit the Church Re-building venture.

Ravaged by fire in June of 2008, Zwingli United Church of Christ has since been worshipping at the Boy's and Girl's Club of Souderton. The congregation has been a long-standing active participant in the community and your help in the rebuilding of our church will allow us to continue and expand that public outreach and support.

The Sellersville Theater has graciously offered their facility for the concert to be performed on Sunday evening, Oct.4, 2009. We, as a congregation, invite your company to be a part of this exciting event by becoming a sponsor of the concert.

Your company's name would appear in promotions for the concert showing your support as a company that cares about the community and its residents. Your company's name and logo would also appear on the screen prior to the concert.

There are a variety of sponsorships levels to meet most financial considerations. For additional information on how your company can be of further help please contact Gladys Amspacher @ 215-453-7393. Thank you for your time and consideration.

Sincerely,

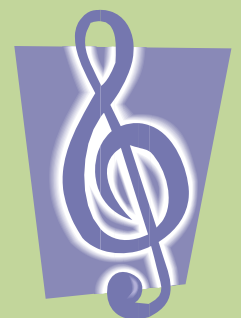

Gladys Amspacher
