I recently found myself confronted with the question “What do you stand for?” Even the question itself has multiple interpretations – it can mean symbolically representing, physically rising, or philosophically supporting (and sometimes all of the above at the same time). Having been ordained in 1991, female pastors were significantly outnumbered. I found that wearing my clergy collar helped identify me at a glance with little need for introductions or explanations as I showed up in ERs and hospice settings. My collar helped make it clear I stood as a pastoral presence.

We all stand in many and varied situations that call for an indication of respect or great significance. We used to stand when an elder entered the room. Some older gentlemen still stand at the arrival or departure of a woman. We stand for the Hallelujah Chorus and a bride’s entrance at her wedding, for many parts of our worship, and most of us at the playing of our national anthem. We’ve been teaching the confirmation class about creeds, and noticing that we stand to affirm our faith – an indication of respect and acknowledgment of something of great significance.

I was standing recently – in the cold along with a couple hundred other people. We were standing because we believed in the importance of people’s not being judged for who they are or how they’re dressed and wanted to make our statement of love stronger than a message of judgment that was being conveyed. We wanted children to be given an opportunity to hear a story of acceptance and compassion. By chance about 3.5 seconds of “my stand” was included in a news clip and I am still learning the impact. I’ve heard from people who have been harmed by judgmental churches now seeking a welcoming one. I’ve been asked for ways to learn more about diversity. I just learned that from the incident that February 2nd every year will now be “Inclusion Day” in Lansdale – a definite step forward in understanding each other better.

We often don’t know the big differences that can be made by seemingly simple actions. I did not grow up in a church that administered ashes on Ash Wednesday, and even when I have received them, it has been late in the day and seldom seen by anyone but family. Last year, it was noticed and I was told I had gotten some dirt on my forehead, which provided a great opportunity to share an explanation to a young man for whom ashes and lent and a place he could feel welcome were a foreign concept. A stand I could have easily missed.

We are entering into a part of our church year that we often use for reflection about our faith, our understanding of what Jesus’ sacrifice means to us and what God asks of us – perhaps encouraging us to consider what we stand for and to do it more boldly. Rather than “giving up” something, my conviction this year is love more people in more ways and more places by more methods than I ever have before. My slogan for that is “speak love louder” – in word and deed. May you, throughout this Lenten season experience and share God’s love in a deeply meaningful way.

**Days of Creation**

Play this game to remember when God made each of his masterpieces.

**What you need:**
- Paper
- Rulers
- Pencils
- Markers or crayons
- Dice
- Bibles (open to Genesis 1:1–2:3 for reference)

**What you do:**
1. To make game boards, draw a grid with four rows and seven columns, totaling 28 squares.
2. Across the top row, write DAY 1 in the first square and continue through DAY 7.
3. Take turns rolling one die, or all players can roll at once. For the number rolled, draw something God created on that day (in the correct column).
4. When you fill an entire row, draw a smiley face in the DAY 7 square. The first player with two smileys wins.

---

**Puzzle**

Decode the days

At this time of year, God’s creation “springs” to life.

**Directions:** After reading Genesis 1:1–2:3, write the correct Creation day number under each picture. Then add up each day’s total and write it on the correct blank below.

MARTIN LUTHER KING JR SERVICE DAY UPDATE

The many successes of our MLK day event can be seen in the nearly 150 volunteers who came together to focus on the needs of others in our community. Participants were of all ages, from the community and 6 area churches whose clergy also participated in our worship service.

For local First Responders we created 150 Thank you bags
For Generations of Indian Valley we filled 190 snack bags
We converted about 2000 plastic bags into 3000 yards of plarn to crochet into waterproof mats
For The Lutheran Home at Telford we created 35 Valentine placemats and cut out (200) and sewed (12) clothing protectors
For Peyton Hearts we helped in various ways to create, tag or sew 600 hearts that will be used to deliver messages of love to students, veterans, and anyone else who needs a message of encouragement to
help stem the growing number of suicides all around us
For **Little Zion** we helped finish off 2 of the quilts they donate to Lutheran World Relief.

**A HEALTHY MOMENT**

*Everyday Preventive Actions Can Help Fight Germs, Like Flu*

*By Kristie Lowery*

"Worship the Lord your God, and his blessing will be on your food and water. I will take away sickness from among you."

*Exodus 23:25*

The Center for Disease Control and Prevention (CDC) recommends three actions to fight flu:

1. The first and most important step is to get a flu vaccination each year.
2. If you get sick with flu, take prescription antiviral drugs if your doctor prescribes them. Early treatment is especially important for the elderly, the very young, people with certain health conditions, and pregnant women.
3. Take everyday preventative actions that may slow the spread of germs that cause respiratory (nose, throat, and lungs) illnesses, like flu. This article contains information about everyday prevention.

**How does flu spread?**

Flu viruses are thought to spread mainly from person to person through droplets made when people with flu cough, sneeze, or talk. Less often, a person might get flu by touching a surface or object that has flu virus on it and then touching his or her own mouth, nose, or possibly eyes. Many other viruses spread in this same way. People infected with flu may be able to infect others beginning 1 day before symptoms develop and up to 5-7 days
after becoming sick. That means you may be able to spread flu to someone else before you know you are sick as well as while you are sick. Young children, those who are severely ill, and those who have severely weakened immune systems may be able to infect others for longer than 5-7 days.

What are everyday preventive actions?

1. Try to avoid close contact with sick people.
2. If you or your child gets sick with flu-like illness, CDC recommends that you (or your child) stay home for at least 24 hours after the fever is gone except to get medical care or for other necessities. The fever should be gone without the use of a fever-reducing medicine.
3. While sick, limit contact with others as much as possible to keep from infecting them.
4. Cover your nose and mouth with a tissue when you cough or sneeze. After using a tissue, throw it in the trash and wash your hands.
5. Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand rub.
6. Avoid touching your eyes, nose and mouth. Germs spread this way.
7. Clean and disinfect surfaces and objects that may be contaminated with germs that can cause respiratory illnesses like flu.
8. If an outbreak of flu or another illness occurs, follow public health advice. This may include information about how to increase distance between people and other measures.

What additional steps can I take at work to help stop the spread of germs that can cause respiratory illness, like flu?

1. Routinely clean frequently touched objects and surfaces like doorknobs, keyboards, and phones, to help remove germs.
2. Make sure your workplace has an adequate supply of tissues, soap, paper towels, alcohol-based hand rubs, and disposable wipes.
3. If you begin to feel sick while at work, go home as soon as possible.

What additional preventive actions can I take to protect my child from germs that can cause respiratory illness, like flu?

1. Make sure your child’s school, child care program, or colleges routinely cleans frequently touched objects and surfaces, and that they have a good supply of tissues, soap, paper towels, alcohol-based hand rubs, and disposable wipes on site.

Everyday preventive actions can help slow the spread of germs that can cause many different illnesses and may offer some protections against flu.

Faithful Giving: Giving and Receiving

“Moreover, when God gives any person wealth and possessions, and enables them to enjoy it, to accept their lot and be happy in work ... this is a gift of God” (Ecclesiastes 5:19).

Don’t you just love gifts? There is great satisfaction both in getting gifts and in giving them. Since we are created in the image of God, it stands to reason that God also must take great delight in giving and receiving gifts.

Solomon, when he followed his father David as King of Israel, had an opportunity to ask God for anything he wanted. Instead of asking for money and riches, he asked God for wisdom and knowledge. God not only gave him wisdom and knowledge, but also provided wealth in abundance. Solomon said that our belongings and resources are a gift from God, as is the ability to enjoy the fruit of our labors, which is another way of describing the money that we earn. The key is to realize that whatever we do and however we spend the money God has entrusted to us is a reflection of our faith in God.

How can we be sure that our enjoyment of money and resources reflects our faith in God? The Bible contains a great deal of instruction as to how we are to use money, but this guiding principle is to motivate our entire lives, including the use and enjoyment of wealth: “So whether you eat or drink or whatever you do, do it all for the glory of God” (1 Cor. 10:31).

There’s nothing wrong with money. There’s nothing wrong with enjoying the things that money can buy. Solomon believed that both are gifts from God. The key is to use money in such a way that our enjoyment will bring glory to God and reflect our faith. One of the primary ways to do that is to give to the Lord and God’s work here at Zwingli UCC.

END OF YEAR FINANCIAL UPDATES

The end of year financial report for 2018 indicates that the offering income compared to the budget resulted in a negative balance of $4,049. The offering received compared to ministry expenses is a positive balance of $18,828.39. The interpretation of this report is that after all expenses were paid, there is $18,828.39 remaining in the checking account. However, if all budgeted items had been expended, there would have been a deficit. The Ministry of Stewards would like to thank the congregation for their generous and faithful support of our stewardship for this church. Once again,
the year has ended with a positive balance!

Electronic giving allows for continuous giving, even when members cannot attend worship services. This form of giving helps to sustain the financial status of the church when attendance is low, especially during summer months. If you have not done so, please consider electronic giving. Electronic Fund Transfer (EFT) forms are available in the church office, on the cabinet to the left of the sanctuary, and in each attendance sign in book.

MORTGAGE UPDATE

The year-end mortgage balance is $130,444. The original mortgage following the fire was $750,000. That is a reduction of $619,556 over 8 years. That is absolutely a commendable accomplishment. We praise God for the tremendous financial support of our congregation!

The private loan remains at $149,000 and will need to be paid after the mortgage loan has been paid and closed.

Thank you for your continued financial support of Zwingli UCC.

GROCERY GIFT CARD FUNDRAISER

By purchasing store gift cards from Zwingli Church, you help contribute 5% of your store spending to the general fund of our church. AND, it doesn't cost you a cent. Gift cards for Giant Stores, Landis Supermarket, or Shop-Rite can be purchased in the church office during the week or in the atrium on Sunday mornings. The monetary value of the gift cards are $25, $50, and $100. Thank you for your participation in this program!

Would you like to sponsor the flowers in the chancel one Sunday morning? Order forms as well as the sign-up sheet are located next to the office window. The sponsorship costs $34. If interested, please fill out a form located next to the office window, attach payment, and place in mailbox #24 or in the offering plate.

SIMPLE WAYS TO HELP THE GENERAL FUND BUDGET

**Bible Study**  
Bible Study will meet jointly with the Adult Electives class in the Parlor.

**March 10**  
**Just Eating**  
Just Eating? While this phrase could mean only eating, the word just also means 'being honorable and fair in one’s dealings.' This play on words captures a paradox that addresses the fact that eating can be a mundane activity done with little thought or reflection; or it can be an opportunity to thoughtfully live out our faith and practice justice."

Just Eating? Practicing Our Faith at the Table has been prepared by a Collegium sponsored by the United Church of Christ that calls us to integrate the commitments and practices of our faith into the way we eat. The study uses scripture, prayer and stories to explore key aspects of our relationship with food. The objective for participants is to develop an understanding of how food connects us with God and all of creation. Food is a basic need. Using the Christian practice of the Eucharist as our starting point, we will explore what it means to eat well in relationship to our own bodies, other people and the earth.

Kristie Lowery will review the concept of Just Eating and will share how the study can be used as a Lenten focus for the weeks leading up to Easter.

Pearl S. Buck; The Enduring Legacy
In recognition of Women’s History Month, Susie Woodland will share the story of Pearl S. Buck who was raised by her Presbyterian missionary parents. She was exposed to Buddhism by her Chinese Amah (Nanny) which fostered her tolerance of other religions. Primarily because of her disenchantment with the missionary movement she ultimately disavowed formalized religion.

Her award of both the Pulitzer as well as the Nobel Prize, relatively early in her literary career, eclipsed later recognition of her humanitarian efforts. Where a part of her legacy should be identified by her literary celebrity, her enduring legacy should be measured by the Bridges of Understanding she created on behalf of the marginalized of our society.

Come join us as we explore how she wove the fiber of her professional life with her vocation as an activist and humanitarian.

March 24
Autism
We are pleased to welcome Deb Springer, Director of the Autism Center at Penn Foundation who will share with us information she provided last year for clergy. She shared how faith communities can provide a genuine welcome and a safe place to worship for families with a family member on the autism spectrum. She will help us expand our “toolbox” of items that are comforting and our knowledge of needs that we can use in understanding others better. Hope you’ll join us.

March 31
Faces of Jesus Part II
The Faces of Jesus: What image do you have of Jesus? Our faith in Christ can take many forms and is connected to various theologies, scripture and tradition. The way we imagine Jesus, or react to images of him, is also varied and depends on our upbringing, our current belief, and the many images depicted in the Bible, in art or popular culture. This class will focus on particular images and how they speak to us in the context of our present-day culture and the many issues we face today. The class will be led by Pastor Butch and you, the participants!!

April 7
Bible Study
Bible Study will meet jointly with the Adult Electives class in the Parlor.

April 14
Diversity Awareness Training Part 2
Due to the high level of interest in Diversity Awareness, we are offering another session on this topic. Part 2 will address the question, “How do we align our unconscious bias with our consciously held beliefs?” Dr. Angela Mosby, will facilitate this discussion through her presentation. We invite you to come and participate as we strive to increase our diversity awareness and understanding on this topic.

MILLER-KEYSTONE
BLOOD CENTER

JANUARY BLOOD DRIVE

A total of 17 pints of blood were successfully collected, down 4 pints from last January. Possible contributing factors were the malfunctioning of the machines that test iron in the blood which delayed the start and the exceptionally frigid weather that day. Thank you to all who braved the weather! We have three more drives to attempt to catch up.

The next drive will be at Zion Mennonite Church on April 16th. Mark your calendar!
AN EXCERPT FROM OUR PENNSYLVANIA SOUTHEAST CONFERENCE MINISTER

“UCC Congregations Positively Affecting Their Communities”

One of PSEC’s 2020 Vision objectives was “to see 5 cities or towns being positively affected by the presence of a UCC congregation as measured by the quality of life standards (i.e. education, housing/homelessness, crime reduction, employment opportunities, health/wellness (of those communities).”

That objective was reached in several towns of the Schuylkill Association. The pastors and lay leaders of local churches there worked together in response to summertime flood damage in and around their communities. The Mayor of Tremont, PA, Mr. Ricky Ney presented a plaque, now in the keeping of St. Peter’s UCC, Tremont, in gratitude for all that the United Church of Christ did in support of the people in Tremont, Pine Grove, Hamburg and the surrounding areas.

The Ministry of Missioners approved $1,500 to be sent to the Schuylkill Association to help with the clean up and recovery in that area. Just another example of how Zwingli shows God’s love to others.

A SNAPSHOT OF ZWINGLI NURSERY SCHOOL

February was a month full of hearts and love! We enjoyed making many winter and valentine projects. We had a fun-filled Valentine Party and a visit from a dental office to learn about teeth health. In between, the older students learned the letters Oo, Pp, and Qq and the numbers 8 and 9. The younger children learned the new color: pink (red + white=pink) and the shape of a heart. What an action-packed month!!

Zwingli Nursery School is now accepting registration for the 2019-20 school year! Reserve your spot today! Please call the church office, visit www.zwingli.org/zns or see Lisa Cinciripini for a registration form. Classes held Monday, Wednesday and Friday from 9 – 11:30 am.
**BULLETIN MAILINGS**
