Dear Zwingli Family,

By the time you receive this, Halloween will be just arriving (if the mail is on time). Maybe you will be enjoying your Halloween candy while you are reading this. Wherever this finds you, I hope and pray all is well with you as the month of October ends and November begins. We’ve got a lot going on this month at Zwingli, and I am going to highlight those in this letter.

Before we get into the busyness of November, let’s take some moments to be contemplative. November is the month of giving thanks, and we’ve got a lot to be thankful for this year. In last month’s newsletter, Pastor Butch highlighted a lot of items we are thankful for as a church. So, over the month of November, I invite you to consider what and who you are thankful for each day. Once a day, take some time to write a note, make an entry in your journal, or share a social media post highlighting what you are thankful for. Gratitude -particularly saying it out loud or writing it out on paper- is a good contemplative practice for us to pursue. It allows us to pause and to give thanks to God for all that God has provided for us. An extra bonus of putting this into practice: it is good for our mental health. I will be doing this every day in November and I hope you will join me in this important spiritual practice.

As promised, here are a few of the events we want to highlight for the month of November:

Stewardship Campaign – Our **stewardship campaign starts on Sunday, October 31** and goes for four weeks. I hope you will be in prayerful consideration of how you will give offerings to God for the next year. You can read more about the stewardship campaign inside this newsletter.

**All Saints Sunday – On Sunday, November 7,** we will look back at our Saints who have gone on to join the great cloud of witnesses. **If you have someone you particularly want lifted up this year, please email us** at pastoralan@zwingli.org. Make the subject line of your email “All Saints Sunday” – and we will make sure and add them to the list.

**After Thanksgiving day,** join us at church **Sunday, November 28,** for the **Hanging of the Greens service.** This is always a special time of year at Zwingli. We hope you will be able to join us for this kick-off to the Advent/Christmas season at Zwingli.

And finally, we have a great opportunity for spiritual development and Christmas cheer this Advent season. Join us for our **book study, called The Redemption of Scrooge.** Join us as we look at how the life of Ebenezer Scrooge and the ghosts of Christmas Past, Present, and Future can help us dive deeper into our faith. We hope you will join us for this spectacular book study, **starting December 1, 2021.**

With all that is going to happen over the next month, I hope you have an amazing November. I look forward to seeing you at some or all the upcoming events. For easy navigation, see the table of contents on the reverse side of this page.

Sincerely,

Pastor Alan

THANKSGIVING EVE SERVICE

Please stay tuned for details regarding this year’s Thanksgiving Eve service scheduled for Wednesday, November 24 at 7:00 pm. More information will be sent via email, snail mail, Facebook, Z-News and other means once plans are finalized.

The Advent “Hanging of the Greens” service will be held on Sunday, November 28. Decisions about how the service will happen are still in the planning stages since the pandemic is still altering and affecting our usual traditions and routines. More information will be sent via email, snail mail, Facebook, Z-News and other means once plans are finalized. Please stay tuned!

Plans are to continue the Advent Stocking Children’s Message Series during Advent. As stated above, we’re still considering how best to carry on this young, but well-loved tradition.

IN-PERSON WORSHIP INSTRUCTIONS

The Return to Church (RTC) team continues to require masking indoors for all who attend services or use our buildings. We also ask those attending on Sunday mornings to speak and sing softly during worship services. Continuing with a policy requiring masks is a very difficult decision. We are acting in this way due to the high level of COVID-19 cases, the aggressive or unknown behavior of variants, and information gleaned from Montgomery County and the CDC. The team is especially concerned for youth and children who have not been or are not able to be vaccinated.

We will continue to monitor pertinent information as we always have and make ongoing decisions about restrictions as new information is available. We ask for your patience and hope our church community can be flexible enough to move in and out of restrictions with ease, if necessary, as we keep in mind the safety of our congregation and the community at large.
We continue to ask for your help in protecting our entire congregation by staying home if you feel sick or are experiencing any of the following:

- Any symptoms of Covid-19 – cough, fever, loss of smell and/or taste, headache, or shortness of breath.
- Have cared for or been in close contact with anyone diagnosed with Covid-19 in the past 14 days. (Please note that this does not apply to health care professionals.)
- Have been advised to self-quarantine.
- Are currently infected with Covid-19 or are undergoing treatment for Covid-19.

Thank you for your continued support of our Zwingli community. The RTC Committee

**WEDNESDAY PRAYER CIRCLE

We will meet for Prayer Circle with Pastor Alan or Pastor Butch each Wednesday of the month from 12:00 to 12:30. The zoom invitation will be sent ahead of time. We feel that heartfelt communal prayer is especially needed on a consistent basis as we continue to deal with individual, family and church concerns, the pandemics of COVID 19 and racism, as well as other societal issues and direction.
The Pap test is one of the most reliable and effective cancer screening tests available. Women between ages 21-29 years should see their physician and undergo a Pap test every three years. Women within the age group of 30-65 years are urges to get a Pap test every three years, HPV testing every five years or a combination of these two tests every five years. For women 21-65, it is important to continue getting a Pap test and/or HPV test as requested by the physician. The testing needs to be continued even if it is anticipated there will be no more pregnancies and/or sexual activity.

Exceptions to these guidelines for obtaining a Pap test would be if a female is over 65 and has had a normal Pap or HPV test for several years. The other exception is if the cervix has been removed as part of a total hysterectomy for non-cancerous conditions (fibroids).

The risk of developing cervical cancer is increased with the presence of the HPV virus. Almost all cervical cancers are caused by HPV. The risk of developing HPV is greater if sexual activity began at an early age or if there have been multiple sexual partners. There are many types of HPV and most will go away with minimal treatment. But when the HPV persists and will not go away, it can cause cervical cancer. Other factors increasing the risk for cervical cancer include smoking, having HIV (virus causing AIDS), using birth control pills for extended period of time (five or more years), and having given birth to three or more children.

To prevent cervical cancer, see your doctor regularly for a Pap and/or HPV test. Follow up with your physician if your cervical cancer screening is abnormal. Get the HPV vaccine. It protects against the types of HPV that most often cause cervical cancer. It is recommended for
preteens (both boys and girls) aged 11-12 years, but can be administered up to age 26. The vaccine is given in a series of either two or three injections. Even with having the vaccine, women need to have regular Pap tests to screen for cervical cancer.

Last month the challenging question was asking where you were with your breast awareness screening. This month, the question is to ask if you are up to date on your cervical cancer screening? When was your last Pap test or HPV test completed? If you are current, pat yourself on the back and continue to be compliant with cervical cancer screening. If not, please add to your list of things to do and make it a priority. Early detection is usually a curable situation. Waiting for symptoms to appear could become a long-term health journey with troublesome outcomes. For your own peace of mind, make sure all is good!!

2021 STEWARDSHIP CAMPAIGN
ROOTED IN LOVE

The U.C.C. 2021 stewardship campaign theme couldn’t be more appropriate. Its called Rooted in Love. This refers to essentially all we do as a Christian, as a church member and as supporter of Zwingli’s mission which is to welcome, care for and love our neighbors as ourselves, and love God above all else. Every human on this planet is a small piece of the face of God; loving one means loving the other. Plain and simple. As we offer our time, talents and treasure to support the church, we support its mission. We enable the congregation to spread God’s love inward and outward. Our offerings are Rooted in Love just as is our extravagant welcome to all. Zwingli’s steps toward becoming an Open and Affirming congregation means that when we get to that goal, we continue to walk the walk. That takes commitment as a congregation to continue to support that walk. We will reach our goals by ensuring Zwingli remains successful, and that includes being financially successful in meeting our budgeted expenses. As of August 31, 2021, offerings are about $24,000 behind expenses. The Ministry of Stewards encourages the congregation to make up any past offerings missed during vacations. We also ask that for those who can to prayerfully consider a slight bump up in giving for the remainder of this year. Giving is higher than at this time last year, but it is not quite high enough to meet our current expenses. This is also a great time to start prayerfully considering your level of giving for 2022. Our stewardship campaign will officially begin on Sunday, October 31st and will wrap up on Stewardship Sunday, November 21st. The Ministry of Stewardship is very grateful for the abundant and generous giving of Zwingli members.

ONA

On Sunday, October 10, Zwingli United Church of Christ celebrated and consecrated the receipt of about 140 signed affirmation statements saying that each member agrees and will support our church becoming an Open and Affirming church.

It took 2 ½ years of study/discussion/seminars/research and prayer to learn how important it is that our church offer radical hospitality and share God’s love with all people.

The ONA Implementation team will begin meeting this month to see how Zwingli can move forward with our promise to welcome the marginalized people of our community.
If you have ideas or thoughts on how you would like Zwingli to implement this promise, please let one of our team members know. (Lisa Cinciripini, Carolyn Leake, Rhonda Moyer, Joan Yeager, Pastor Alan Miles).

ON A COVENANT

At Zwingli United Church of Christ, we promise to engage and nurture Christ’s light in all of God’s people, no matter their sexual orientation or gender identity, race or ethnic background, social status, soul injury, religious beliefs, age, and physical, mental, or addiction challenges.

We aspire to be a counterweight to exclusion and discrimination. We choose to purposefully welcome and include all people in every aspect of our church family including worship, fellowship, and leadership, lay and ordained, and will meet you where you are on life’s journey to share God’s love with you. It is our commitment that all members should feel and be safe, as we express God’s universal and unconditional love in our church, community and daily lives.

On Thursday, November 4 we will be taking a tour of Pennypacker Mills after our luncheon. If you would like to join us please sign up on the bulletin board next to the coffee area and indicate if you can drive or need a ride. We will meet at the church for lunch first. MISSIONS

ADVENT MISSION PROJECT

This year's project benefits CHOP Primary Care offices through the Reach Out & Read program. The local Souderton CHOP PC office has moved to their new location at 4 S. County Line Rd., previously Biggies. The Reach Out and Read program provides new developmentally appropriate books to take home for each child from 6 months to 5 years old who visits a CHOP office. The material used for the covers of books for the younger children is also taken into consideration because it generally ends up in their mouths at some point. Consequently Reach Out & Read only accepts financial donations in order to purchase the books from preferred sources. Each book costs $2.75. So 10 books cost $27.50, 100 books $275, etc. NOTE: Prior to COVID they accepted new or gently used books for their waiting rooms, but stopped that practice for now. In each exam room the doctor and Nurse Practitioner (NP) teaches parents the importance of reading aloud to their young children every day based on research showing that the first 1,000 days of a child’s life are the most critical in terms of brain development. The pediatricians and NPs offer age-appropriate tips and encouragement which has proven that when they promote literacy readiness according to the Reach Out and Read model the following occurs:

- Parents are two and a half times more likely to read to their children.
- Parents are two times more likely to read to their children more than three times a week.
- Families are two and a half times more likely to enjoy reading together or have books in the home.
- Children’s language development is improved by three to six months.
- Children’s language ability improves with increased exposure to Reach Out and Read.

Please consider supporting this year’s Advent mission project with a donation that allows the purchase of 10 books or 100 books. However any amount donated will be greatly appreciated. Let’s help young families give their children a head start in life.
ALL SAINTS OFFERING

“For all the saints who from their labors rest,...”
— William W. How

The first Sunday in November is designated as All Saints Sunday. We celebrate long ago saints and those we know as saints today; people who inspired many of these people are pastors whose lives shaped and influenced our own.

Some of our PSEC pastors who retired years ago are now in need of special assistance. Because their retirement income is low, the churches of the Pennsylvania Southeast Conference supplement the cost of their health benefits.

The Pension Boards of the United Church of Christ administers these supplemental gifts according to whomever has the greatest need. Last year your gifts provided $6,100 to meet the Conference’s $14,890 commitment to the 7 pastors, spouses, and widows who received health and dental insurance assistance.

Join with our Conference churches this year to send among us who have served the church so well in past years! Please place your contribution for the 2021 All Saints offering in an envelope marked “All Saints.”

CROP HUNGER WALK

Thank you to the walkers and sponsors for helping to advance communities around the world. Your donations will help provide supplies and education to start small farms that generate food and income for their family and neighbors. A portion of the funds will stay local. Zwingli raised $3,980.00!!! Our involvement in the Pennridge Crop Walk is the change this world needs!

ZWINGLI NURSERY SCHOOL UPDATE

October was an exciting month. We had some new friends enroll in our school. We are learning the concepts: the color orange, the letters Cc and Dd, the numbers 1 and 2, and the shape of a triangle. We celebrated Fire Prevention Week doing special art projects, playing with toy fire engines and firefighters, and reading stories and singing songs about
them. At the end of the month, we will have a class Halloween parade and party.

**IF YOU ARE HOSPITALIZED**

Due to privacy procedures implemented by all healthcare facilities, it is much more difficult for the church to obtain information about patients than it has been in the past. If you or a member of your family is hospitalized, or at a rehab or other health facility, please let the church office and the pastor(s) know directly. This is the only way you can be certain this information will be received.
